## Straps and Cords

### Polypropylene straps

These straps are available from 4 – 15 mm width. They are eco-friendly, food safe and ecologically compatible. The standard colour is black. Article-no. PP04550040 standard colour blue.

### Quality

All other colours and dimensions upon request.

### Polyester straps

From 9 - 16 mm strap width in high quality and medium tensile strength. These straps are stable in temperature and allow a high strength and elasticity for an optimum transport security.

### Security

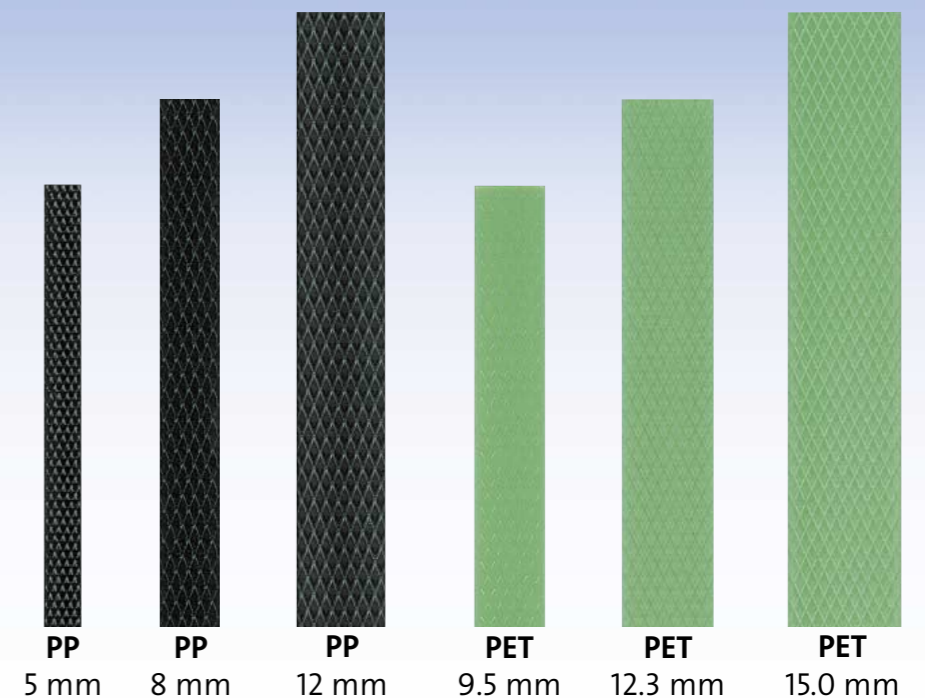

All straps are suitable for machines and hand strapping tools.

### Packing cords

Variable cords, twisted, folded, knotfree.

### Variety

Elastomer cord, polyethylene cord, cotton cord, meat cord.
